McCORMICK PLACE
CHICAGO, ILLINOIS | #ASCO19

Educational collaboration opportunities and challenges

- oncology residency training recognized over EU states
- study equivalence/ recognition can be a problem in training outside EU
- experience exchange for 3 - 6 months for oncology residents/ nurses/ RT technicians
- regional courses organised by rotation in each interested country

THANK YOU !

2nd International Congress on Oncological Sciences, 20-23 September 2018, ANTALYA
