## INVITATION

On behalf of the Turkish Medical Oncology Society Executive Committee, it is my pleasure to invite you to join the 8th ASCO-licensed "Best of ASCO® 2017 Istanbul" conference which will be held on July 01, 2017. The objective is to review the most important, practice changing data presented at ASCO 2017. Faculty who are expert in specific fields of cancer will present highlights of the data and will discuss how the results may change the current standard of care. It will also be a good opportunity for colleagues who are not able to attend the ASCO 2017 meeting to discuss the clinical implications of the presented data within the current standards of care in an interactive setting.

We are looking forward to welcoming you to the Best of ASCO® 2017 Istanbul.
